Ink Jet Industry to Convene in Chicago in early September

Ink Jet Technology Showcase 2016
Commercial, Industrial, Functional Printing and more
September 7-8, 2016

May 17, 2016 - Carrabassett Valley, Maine, USA – The international ink jet industry’s focus will be on IMI’s **Ink Jet Technology Showcase 2016** at the Renaissance Schaumburg Convention Center Hotel in Schaumburg (Chicago), Illinois, USA on September 7-8, 2016. Visit www.imiconf.com for preliminary brochure and additional details.

IMI President Al Keene says, “IMI’s **Ink Jet Technology Showcase 2016**, now in its 15th year, annually brings together the leading suppliers of ink jet technology and services. Attendees who are new to ink jet and exploring this disruptive technology for new products and processes, as well as already active product manufacturers or users seeking an update and to renew contacts, find that they cannot do it more efficiently than at IMI’s annual **Ink Jet Technology Showcase**.”

“Over two days, ink jet technology suppliers will each give a 15 minute presentation of their latest developments. Plus there will be ample time during the breaks, lunch and receptions to peruse their displays and have discussions with the suppliers and other attendees.”

Suppliers to the ink jet industry should contact Al Keene (email al@imiconf.com Phone +1-207-235-2225) or download the Technology Supplier’s Sponsor brochure from IMI’s web site <http://www.imiconf.com/pdf/IJTS16%20Supplier%20Brochure.pdf>) to take advantage of this opportunity to present their products and services to the rapidly expanding ink jet industry .

IMI’s Ink Jet Technology Showcase 2016 on **September 7-8, 2016** will feature:

Keynote Speakers

Hear a range of invited experts discuss how new applications & markets are offering exciting new opportunities for ink jet technology.

Supplier Presentations

Hear the leading suppliers of printheads, hardware, inks, curing systems, and other components and services to the ink jet industry present their companies’ products and services. Each supplier will give a 15 minute presentation on their company and products. Think how much you can learn without travelling the World to meet with them all individually!

Suppliers' Fair

Meet with the leading suppliers to the ink jet industry during the inclusive conference breaks, lunch and evening receptions. Make those important first contacts, catch up on the latest developments and products, or remake old contacts and discuss your application and seek advice. Contact the suppliers beforehand and schedule a private meeting - full contact details for all suppliers will be in the final brochure and on IMI's web site.

Ink Jet Tech Talks

A series of optional tutorials at no extra cost for registrants to the **Ink Jet Technology Showcase 2016** - Listen to industry experts discuss some of the latest scientific findings and techniques - information that you can use immediately!

East attendee will receive downloadable copies of all presentations. In addition to all the presentations; two inclusive receptions and one lunch plus many breaks will provide ample time for meetings and networking – all at a convenient location – the Renaissance Schaumburg Convention Center Hotel in Schaumburg (Chicago), Illinois, USA - **All for only \$595 per registrant.**

On **September 9, 2016**, IMI will be hosting a series of **Ink Jet Technology Integration Short Courses** at the same location. Specific course titles, leaders and content will be announced soon.

About Information Management Institute, Inc.

Information Management Institute, Inc. (IMI) sponsors conferences world-wide to assist in understanding technology developments, markets and applications requirements. IMI conferences offer attendees a unique opportunity for leading hardware, technology development, consumables, software and user companies to network and develop a more comprehensive understanding of current as well as future developments impacting successful product implementations, market entry/expansion and technology utilization. Since 1990, IMI has held over 500 programs attended by well over 25,000 technical, marketing and management personnel from companies around the world.

IMI conference programs are designed to enable attendees to obtain the latest technical, market and application information while allowing time to network with other attendees in a time and cost efficient manner. Attendance at an IMI conference enables attendees to meet with an industry's leading experts in a single location over a short period of time thus maximizing information transfer efficiency and minimizing travel and time expenses.
